

# The NEW meal & money system is up and running in all Lincoln Elementary Schools

## What is it?

A new computerized cash register system from Aramark - School Nutrition Services.

## Why are we doing it?

To improve the level of service to parents and students of Lincoln.

To eliminate the need to carry cash to school every day.

## What's the process?

- Students will continue to place their meal order in the morning.
- Students will continue to make payments in the morning.
- Payments can be made for one milk or meal or money can be added to their account for future use.

**All money for milk or meals must be sent in an envelope with your child's name on the outside.**

- A Student ID has been created for your child.
- The Student ID will be kept in their classroom. (Fairlawn ELC will store them in the Cafeteria)
- Just prior to lunch, students that plan to get either milk or a meal will retrieve their ID.
- During lunch students will turn in their ID card as they get their milk or meal.
- Parents are strongly encouraged to keep money on your child's account.
- Money on account will eliminate the need to carry cash daily.
- Money on account will greatly improve the speed of service.
- On-Line payments will also be accepted in the future – More info. to follow.

Thank you for your help with implementing this new and improved system.  
Andrew Viveiros - Director of Child Nutrition - 333-5576 [Viveiros-Andrew@Aramark.com](mailto:Viveiros-Andrew@Aramark.com)

## How to pay for milk, meals or put money on account:

- Simply write your child's name on the outside of an envelope or complete the form below and return it with your payment.
